DHS/FEMA-funded course

SPORT AND SPECIAL EVENT RISK MANAGEMENT AND PLANNING

AWR-167

Course Overview

The Sport and Special Event Risk Management and Planning course is designed to develop capabilities for multi-agency collaboration pertaining to sport and special event safety and security. Through activity-based training modules, participants will enhance their ability for planning, risk assessment, training, and exercising practices specific to conducting sport and special events. The expectation is for participants to return to their respective organizations and coordinate the development of a sport and/or special event risk management and planning process.

Topics

- Key Planning Terms and Definitions
- Risk Management Considerations
- Risk Assessment Components
- Plan Types
- Information and Intelligence
- Event to Incident Transition
- Training Development and Opportunities
- Exercise Types
- Continuous Improvement

Participants

- Venue and Event Leadership
- Event Management and Operations Staff
- Venue and Facility Staff
- Athletic Departments
- Athletic and League Personnel
- Parking and Transportation Authorities
- Public Safety Agencies
- Risk Management Personnel
- Emergency Management
- Community Planners
- School District Faculty and Staff
- Cyber and Information Technology Staff
- Event Service Providers (security, staffing, etc.)
- Public Healthcare Authorities
- Parks and Recreational Departments

Recommended Training

- IS-100.C: Introduction to Incident Command System (ICS)
- IS-700.B: National Incident Management System (NIMS), An Introduction
- IS-15.B: Special Events Contingency Planning for Public Safety Agencies
- S-200.C: ICS for Single Resources and Initial Action Incidents
- IS-800.D: National Response Framework, An Introduction

Course Length

Two Days (16 hours)

Venue

Jurisdiction

Class Size

24-40 Participants

CEU Credits

1.6

Students must register and bring a copy of their FEMA/SID number to class.

DHS/FEMA-funded course

SPORT AND SPECIAL EVENT EVACUATION AND PROTECTIVE ACTIONS

MGT-412

Course Overview

The Sport and Special Event Evacuation and Protective Actions course helps sport and special event managers prepare and/or enhance their event action plan through incorporation of flexible and scalable protective measures. These measures can be used in isolation or in response to a larger, multi-agency response initiative. This innovative course helps venue operators, first responders, emergency managers, law enforcement, contractors, promoters, and owners of events to collaborate on evacuation and sheltering plans with actionable decision criteria that can be adapted for almost any event.

Topics

- Organizing Stakeholders
- Protective Action Planning
- Decision-Making Process
- Communicating Protective Action Movements
- Training, Exercise, and Equipment Requirements

Participants

- Venue Operators
- Event Managers
- Public Safety Agencies
- League Administrators and Officials
- Team Administrators
- Venue Owners
- Local Government
- Event Operators
- Risk Management Personnel
- Athletic Departments
- Third-Party Service Providers
- Public Relations and Marketing

Recommended Training

- AWR-167: Sport and Special Event Risk Management and Planning (or equivalent experience)
- IS-100: Introduction to Incident Command System (ICS)
- IS-200: ICS for Single Resources and Initial Action Incidents
- IS-700: National Incident Management System (NIMS), An Introduction
- IS-800: National Response Framework, An Introduction

Course Length

Two Days (15 hours)

CROWD MANAGEMENT FOR SPORT AND SPECIAL EVENTS

MGT-475

FEMA

DHS/FEMA-funded course

CROWD MANAGEMENT FOR SPORT AND SPECIAL EVENTS

MGT-475

Course Overview

This course will provide participants with tools and techniques for conducting crowd management and crowd control. Participants will engage in scenario-based activities designed to expand their ability to resolve risks related to crowd management and crowd control. The training is applicable across the United States regardless of the venue size, capacity, or type of event. Those who successfully complete this course should be able to use this training to develop or improve crowd management and crowd control programs for any sport or special event.

Topics

- Crowd Management/Control Strategies
- Prepared Planning vs Impromptu Planning
- Characteristics Affecting Crowd Dynamics
- Individual and Collective Behavior
- Factors of Crowd Dynamics
- Tools and Technology
- Crowd Management and Crowd Control Differences

Participants

- Sport Venue Managers
- Emergency Managers
- Law Enforcement
- Fire and EMS Responders
- Local Government
- County/City Emergency Personnel
- Venue or Event Security
- Visitors/Welcome Bureau
- Mass Transit
- Committee Organizers
- Event Planners/Promoters
- Volunteer Service Organizers

Recommended Training

- AWR-167: Sport and Special Event Risk Management and Planning
- IS-100: Introduction to the Incident Command System
- IS-200: ICS for Single Resources and Initial Action Incidents (ICS)
- IC-700: An Introduction to the National Incident Management Systems (NIMS)
- IC-800: National Response Framework, An Introduction

Course Length

SPORT AND SPECIAL EVENT PUBLIC INFORMATION AND EMERGENCY NOTIFICATION

MGT-467

Course Overview

The Sport and Special Event Public Information and Emergency Notification course brings planners, operators, public information professionals, government, public safety, and marketing professionals together in an effort to prepare and/or enhance venue and event communication programs. The course prescribes best practices to common communication pitfalls and provides flexible and scalable solutions to a wide-range of scenarios. The training leverages a combination of exercises, discussions, and activities to optimize participant experience.

This training is applicable across the United States regardless of the venue size, capacity, or type of event. Those who complete this course can use this training to develop or improve public information and emergency notification programs for any sport or special event venue.

Topics

- Communication Fundamentals
- Managing Communication
- Event and Emergency Messaging
- Information Collaboration/Dissemination
- Pre-Event Communication
- Post-Incident Communication
- Application of Communication Strategies

Participants

- Venue/Event Managers
- Venue/Event Operations
- Event Planners
- Public Relations and Marketing
- Event Communications
- Event Promoters
- Government
- Special Event Officers/Liaisons
- Emergency Management
- Fire and Emergency Services
- Law Enforcement

Recommended Training

- AWR-167: Sport and Special Event Risk Management and Planning
- IS-100.C: Introduction to Incident Command System (ICS)
- IS-200.C: ICS for Single Resources and Initial Action Incidents
- IS-700.B: National Incident Management System (NIMS)

SPORT AND SPECIAL EVENT ENHANCED RISK MANAGEMENT AND ASSESSMENT

MGT-466

Course Overview

The Sport and Special Event Enhanced Risk Management and Assessment course brings first and emergency responders, government, and commercial facilities professionals together to prepare or enhance risk management and assessment programs. The course introduces methodologies designed to complement and expand on national critical infrastructure framework guidelines. The training leverages a combination of exercises, discussions, and activities to optimize participant experience.

The training is applicable across the United States regardless of the venue size, capacity, or type of event. Those who successfully complete this course should be able to use this training to develop or improve risk management and assessment programs for any sport or special event venue.

Topics

- Risk Management Principles/Concepts
- Identifying and Assessing Risk
- Risk Prioritization
- Mitigation Strategies
- Evaluating Mitigation Strategies
- Application of Risk Management

Participants

- Risk Managers
- Venue/Event Managers
- Event Planners
- Venue/Event Operations
- Facility Managers
- Elected/Appointed Officials
- Protective Security Advisors
- Special Event Officers
- Emergency Management
- Fire/Emergency Services
- Law Enforcement
- Frontline Staff Supervisors
- Communications
- Information Technology
- Public Health
- Parking and Transportation
- Event Promoters

Recommended Training

ENHANCED SPORTS AND SPECIAL EVENTS INCIDENT MANAGEMENT

MGT-440

DHS/FEMA-funded course

ENHANCED SPORTS AND SPECIAL EVENTS INCIDENT MANAGEMENT

MGT-440

This scenario-based course provides the opportunity to learn and implement policy-level decision-making and incident management alongside industry experts during multiple simulated events. These All-Hazard, simulation-supported emergency response exercises are designed to hone individual and team skills through the perspective of the Incident Command Post, Emergency Operations Center (EOC), and Policy Group. The course uses a multi-disciplinary, team-building approach designed to give participants the skills to safely manage an expanding incident, whether natural, human-caused, or technological, within the context of sports and special events.

Topics

- Governance and Strategic Policy Considerations
- Event Action Planning
- Incident Action Planning

Prerequisites

FEMA / SID Number

Students must register and bring a copy of their SID number to class. Register online:

cdp.dhs.gov/femasid

Recommendations

Working knowledge of Incident Command System (ICS) and Emergency Operations Center (EOC) processes is highly recommended.

IS 100.C, IS 200.C, ICS 300, IS 700.B, IS 800.D, IS 2200, AWR 167, MGT 404, MGT 412

Course Length

Three Days (24 hours)

Class Size

35-40 Participants

Venue

Jurisdiction

CE Credits

IACET – 2.4 CEUs

Participants

- Operators/Event Managers of Large Venues and Arenas
- Event Promoters and Sponsors
- Universities/Colleges
- Law Enforcement
- Fire Service
- Emergency Medical Services
- Emergency Management
- Elected/Appointed Officials
- Public Health
- Public Works
- Hospitals/Medical Centers
- Non-Governmental Organizations
- Transportation Authority
